E2 EmpowerED is a minority- and woman-owned consulting firm specializing in professional development, management consulting, and applied research. We partner with mission-driven organizations and agencies to advance innovation, improve operations, and increase systemwide capacity. With a track record of delivering measurable results across education, public sector, social impact corporations and nonprofit spaces, our team is known for driving sustainable transformation that aligns strategy, systems, and people. We provide certified expertise in leadership development, facilitation, agile project management, instructional design, and organizational strategy. Our consultants bring decades of experience guiding complex initiatives at the local, state, and national levels.
